

<b>SUMMARY – PAGAI FOUNDATION</b>
-----------------------------------

**17 October 2019**

**To whom it may concern,**

**Pagai Foundation build doctor accommodation at Macaroni's resort from January 2018 – December 2018**

**Positions:**

**Pak Yon Marjono – Director Pagai Foundation**

**Mr Mark Loughran – Co-Founder Pagai Foundation**

**Dr Eghardt Brand - Head of Medical Division of Pagai Foundation**

**Mrs Hayley Brand – Head of Environmental Division of Pagai Foundation**

**Dr Eghardt Brand, from England, was the first doctor to do clinics at villages. First clinic was in March 2019**

**Dr Brand arranges doctors from all over the world to do volunteer work for villages. Doctors come for 2 – 3 weeks and do free medical clinics at villages**

**Doctors who volunteered for Pagai in 2019:**

**Dr Eghardt Brand – England**

**Dr Sharron Davis – Australia**

**Dr Gareth Jones – England**

**Dr Phil Emerson – Australia**

**Dr Yen Lim – Malaysia**

**Dr Jon Cohen – Canada**

**Dr Coreen Robbertze – South Africa**

**Dr David Hateley – Australia**

**Dr Karl Krohne – South Africa**

**Dr Andreia Estrela – Portugal**

**Dr Oscar Wigginton – England**

**Dr Kathy van Niekerk – Namibia**

**Clinics done:**

**Silabu**

**Batumonga**

**Semanganyak**

**Maguiruk**

**Tumalei**

**The doctor goes with a translator via boat or Gojek.**

**Villagers are seen for free and medicine is also free.**

**Amount of village clinics done from March – December 2019: 36 clinics (1 clinic per week)**

**Number of patients examined and treated: 950 patients (average 20 – 35 per clinic)**

Medical problems are anything from heart, skin, lungs, ears, nose, throat, abdominal, musculo-skeletal and vision problems  
Everyone is seen: babies, children, adults and older people.

**SUMMARY of Medical and Non-Medical Projects done this year:**

**MEDICAL:**

Amount of village clinics done from March – December 2019: 36 clinics

Number of patients examined and treated: 950 patients

10 Cataract patients for free surgery both eyes.

**NON-MEDICAL:**

**Educational sessions:**

- Breast examination for women – Silabu village – Dr Sharron Davis
- Dental hygiene – Silabu and Maguiruk villages – Dr Andreia Estrela

**Free Cataract surgery for 10 Blind people from Mentawai**

- Planned from 30 November – 14 December 2019
- Padang Eye Center

**Environmental sessions**

- Beach clean up sessions by Hayley and Cat and Macaroni's Guests
- Clean-up of Mangrove forest by Eghardt and Hayley

**How do we get donations to fund Pagai Foundation:**

1] Doctors work for free as a volunteer

2] Collecting donations for medicine and medical equipment from Macaroni's Resort guests

3] Asking for donations from outside Indonesia to do free cataract surgery for blind people from the Mentawai villages

**Expenses of Pagai Foundation:**

- 1] Build doctor accommodation Rupiah 200 million (Pagai)
- 2] Medical equipment – free – donated by Dr Eghardt Brand and Dr Phil Chapman
- 3] Furniture for clinics (Pagai)
- 4] Medicine and Medical supplies – Bought in Padang (Pagai)
- 5] Shipping of medicine from Padang to Mentawai (Pagai)
- 6] Ear Nose and Throat set Rupiah 4.3 million (Pagai)
- 7] 4 x Stethoscopes – free - donated by Dr Phil Emerson (Rupiah 2 million)
- 8] Trauma stretcher – free – donated by Dr Phil Emerson (Rupiah 8 million)
- 9] Eye microscope and Eye pressure meter – Rupiah 25.7 million (Pagai)
- 10] Fuel for boats to village clinics (Pagai)
- 11] Gojek for clinics (Pagai)

**Planning for the future:**

**1] Free clinics will continue by the doctors**

**2] Continue free Cataract surgery for blind people**

**3] Donations will be asked for to buy a boat for Pagai Foundation:**

- This boat will be used to do more clinics and also to do projects like diving to clean the ocean of plastics

**4] Education – kids and adults**

**5] Help community**

- Generators
- Solar panels
- Water purifiers
- Solar energy

Kind regards,

**Dr Eghardt Brand**

**Head of Medical Division of Pagai Foundation**
