

AGUS SETIADI

PROFILE

I grew up in Medewi, West Bali. I learned surfing in the point breaks around my home village, caught my first barrel in the shores of Bukit and landed my first aerial in the endless beach breaks of West Bali. People are calling me Gampok (which means slap in Balinese) because I have always been putting my full passion, energy and love into surfing since I was a little kid. I have been happily living in France for 12 years, learning how to speak

French fluently (oui, je peux vous apprendre à surfer en français), learning how to surf skate on a very high level and improving my surfing skills in the heavy beach breaks of Nouvelle-Aquitaine, Mimizan.
